The 40th Annual Nayland Flower Show

Welcome to the 2022 Flower Show schedule. We hope for a more normal year 'fingers crossed'. As it's our 40th Show, let's make it a memorable one with lots of entries. It was so nice to see more children involved last year: let's try and build on it!

Take your time to browse through the schedule and consider what can be entered from your own garden or allotment. You will notice that age is no barrier as sections 7, 8 and 9 specifically encourage younger members of the family to show their skills. And budding young gardeners or bakers are welcome to enter any of the other classes. Should all else fail there is even a class for disasters!

You do not have to be a serious allotmenteer, flower arranger or master chef to enter. You may just have a single tomato plant, a small flower border, or a favourite biscuit recipe – there is a class for you!! Be proud of what you have grown, made or created and share these achievements with others. Remember fellow exhibitors all share this interest with you and the more experienced are usually delighted to offer advice to the novice.

As the demand for allotments increases, our Primary School encourages young gardeners and the annual Flower Show provides the ideal place to display the results. This is a friendly show where the taking part is more important than the winning – remember all exhibitors will be winners for succeeding in producing their exhibits!

The Nayland and District Horticultural Society are affiliated to the Royal Horticultural Society and use their handbook for guidance on staging. If you are a novice, our members are happy to pass on some tips. Advice on setting up an entry can be offered and there are some guidelines in the hints and tips section on page 9 of this schedule.

Wishing you the best of luck with growing conditions. We look forward to seeing what has been successful over the year and hope to see you at the show, whether you are participating or just admiring the exhibits.

HINTS & TIPS

Make sure you submit your entry form by the deadline given in the rules as stated in this schedule.

To avoid disqualification, **READ THE SCHEDULE CAREFULLY** and check to make sure you adhere to the rules and that your entries meet the required conditions.

- 1 All entries must be in place by 9.30am to ensure that judging may start promptly. Late entries will not be accepted.

- 5 Onions should not be skinned. Remove loose skin only.
- 6 All fruit, cucumbers, tomatoes, beans, peas and cabbages should have stalks attached.
- 7 Where the schedule stipulates without foliage, stems should be trimmed back to 4" (10cm)
- 8 Do not polish fruit.
- 9 Where flower arrangements use oasis in a glass container, add a drop of green colouring to the water.
- 10 Be careful with large blooms in arrangements, always adding to the bottom and not to the top.
- 11 Ensure that in herb arrangements, foliage and flowers other than herbs are not used.
- 12 Cookery items should never be warm when placed for judging.
- 13 All jams, jellies, marmalades and chutneys should have a waxed disc on the top and a cellophane cover. They should also be labelled and dated.
- 14 Presentation is important. Cloths/plates are permitted.
